

All-Sport Annual Package Sponsorship Opportunities

Our **Basketball, Baseball, Football, and Cheerleading** leagues have been going strong at Carolina Forest Community Church Sports Ministry for over 15 years.

Our Sports Ministry is one of the primary means of engaging our community. Our mission is to shape the future by providing recreational programs that develop

competence, character, stronger families, and positive relationships.

This ministry reaches **hundreds of kids every year** through baseball, basketball, football, and cheerleading programs. Our Sports Ministry has a great reputation and allows us to invest in families, coaches, and kids, teaching them values like

sportsmanship, teamwork, skill development, and overall fitness.

In all our programs, we emphasize Christian character in the players, fans, and coaches by sharing game day devotionals and other instructional tools. Our volunteer chaplains are also present on game days as a resource for the kids and their families.
